

## Guidelines for Sun Region Individual Ed Grant 2023

These guidelines are directed to individuals wishing to receive individual grants from Sun Region for their participation in virtual lectures presented by EGA national. This is intended to describe the program and the steps for receiving Individual Sun Region Education Grants.

Grant Goal – Sun Region aims to provide quality education for all region members and will provide funds to individuals in 2023. Grants in the amount of \$5.00 will be offered to individuals as long as specific steps are followed as indicated below.

Educational events that qualify – Grants are awarded for participation in virtual lectures provided by EGA national. This is a reimbursement of the \$5 fee that EGA National charges for their virtual lectures.

When to apply – The education chair must receive your completed Education Grant Application form. The deadline for the education chair to receive final paperwork is December 31, 2023. Grants requests may be sent in at any time, however, grants will only be paid on a quarterly basis.

Multiple Grants – Each individual may receive up to 4 grants per year (\$20 total). If more than one grant is requested per quarter, there must be a request for each grant separately. If you have multiples requests in one quarter, they will be held until the end of the quarter and combined into one check.

Additional Information – For additional information or questions, contact Kathy Singleton, Sun Region Education Chair at [kmsinva@aol.com](mailto:kmsinva@aol.com) or 321-297-2675. Note that the application form asks for one thing that you learned from the lecture. This answer is required and may be shared with others in the region.
