Sun Region Individual Education Grant Guidelines 2026-2027

These guidelines are for Sun Region EGA members who are seeking an Education Grant and include instructions for applying for the grant and the Education Grant Application form.

Grant Goal: Sun Region provides quality education for all region members and provides grants to encourage members to attend virtual classes. Grants in the amount of $5.00 will be awarded to EGA members on a first-come, first-served basis if the educational program meets the Sun Region requirements.

Educational Events that Qualify: Grants are awarded for attending **virtual lectures provided by EGA national.** This $5 grant is a reimbursement of EGA National's fee.

When to Apply: The Sun Region Education Chair must receive the completed Education Grant Application form by December 31.

Multiple Grants: Each EGA member may receive up to four grants per year ($20 total).

How to Apply: Complete an Education Grant Application for each educational event. Grants are dispersed each quarter. If you have multiple requests in one quarter, they will be combined in one check and mailed at the end of the quarter. Members must include a receipt for the event.
